# Plan escalier - garde-corps

Technical drawing of a staircase handrail system. The drawing shows a side view of the handrail assembly. Key components and dimensions are labeled:

- Montant 50x10: Vertical post on the left.
- rideur: Horizontal rail.
- cable 8mm inox avec rideur: Stainless steel cable with a sliding sleeve.
- Montant 40x15: Vertical post on the right.
- garde-corps type D: The handrail assembly.

The drawing includes a dashed line indicating the profile of the handrail and a solid line indicating the profile of the cable. The vertical post on the left is labeled with dimensions 50x10. The vertical post on the right is labeled with dimensions 40x15. The horizontal rail is labeled with dimensions 50x10. The cable is labeled with dimensions 8mm. The handrail assembly is labeled as type D.
